

## **Jimmi Carr – ‘First Story: Early Years (2004 – 2016)’ Credits / Blurb**

This is a compilation of songs from Jimmi Carr's first 4 full length albums, as well as the 2 releases from his side project, Innamech. It plays in chronological order according to the release date of the albums.

It will be available in hard copy as a bonus disc to be packaged with the new studio album, out in 2019.

3 of the 6 releases are now out of print in hard copy, as is the debut EP 'The Escapist'. This collection is designed to help listeners get acquainted with the back catalogue before the next chapter starts.
